I authorize Security Federal, a Mutual of Omaha Bank, to debit my checking account listed above and deposit the funds to my deposit account at Security Federal. I may contact Security Federal, during business hours, Monday thru Friday excluding Federal. I may contact Security Federal, during business hours, Monday thru Friday excluding holidays to find out whether the deposit has been made. I have the right to stop this transfer if I notify Security Federal. To do so, I am required to call or write (mailing address & telephone listed below) in time for Security Federal to receive my request 3 business days or more before the transfer is made. If I call, I will be asked to put my request in writing and get it to Security Federal within 14 days after I call. If I order Security Federal to stop a transfer payment 3 business days or more before the transfer is scheduled and the transfer is not stopped, then Security Federal may be liable for certain losses. I understand that if circumstances beyond Security Federal's control (such as fire or flood) prevent the transfer or failure on my part to have sufficient funds on hand in my account at any time to provide for honoring such debit shall constitute no liability for Security Federal. If I don't have sufficient money in my account to make the transfer, Security Federal may revoke this request.
